Nayan Chaudhary

Full-stack developer

• +9779823416640   • [portfolio]   • nayanchy2004@gmail.com

Motivated Full-Stack Developer (Fresher) with solid expertise in Java, Spring Boot, React, and MySQL. Skilled in building secure, scalable backend APIs and responsive frontend interfaces. Passionate about writing clean code, understanding system design fundamentals. Eager to contribute to modern web application development and grow in a professional engineering environment.

EXPERIENCE

Web Development Intern at Nepal Electricity Authority (NEA)   Sept 2025 – Dec 2025

- Designed and implemented modern, responsive UI components for the NEA website using **React.js**.
- Implemented frontend logic and functionality to improve performance and efficiency.
- Assisted in basic backend support, API integration, and database handling under the guidance of senior developers.
- Collaborated with experienced team members in a professional, team-oriented development environment.

EDUCATION

Bachelor of Engineering in Information Technology (BEIT)   2021 - Present

Cosmos college of management and technology, Sitapaila, Kathmandu

Higher Secondary Education

Shikshadeep Higher Secondary School, Biratnagar, Morang   2019 - 2021

PROJECTS

Online Voting System (Group Project): [github]
- **Tech Stack:** HTML, CSS, JavaScript, Python (Django), SQLite3
- Built responsive frontend UI and integrated Django APIs for voting and result management.
- Handled frontend logic, validation, and data rendering in collaboration with the team.

Task Manager App: [github]
- Built a full-stack task management system using React, Spring Boot, and MySQL.
- Implemented REST APIs, database integration, and automatic overdue task tracking.

Community EV Charging Station Platform :[github:frontend][github:backend]
- Building a community EV charging platform using React, Spring Boot, and MySQL.
- Implemented JWT authentication, role-based dashboards, charger search, Google Maps integration, and slot booking.
- Project currently in progress with ongoing feature enhancements.

SKILLS

Java, Spring Boot, React, HTML, CSS, JavaScript, MySQL

LANGUAGE

Nepali, English, Tharu
